PARENTS

We have just moved to Surrey. When and where will our 4 year old be able to start school? What sort of childcare is available for our younger children and what will it cost? How do we find out about health and support services available to us?

FAMILY

Signpost family to their local **Children's Centre** to access support

Help family locate their closest doctors surgery - link to **NHS GP Finder**

Link family to the **FIS directory** and explain that this will allow them to find local health, support and leisure services available near them
