Paragraph 6 of Schedule 14

For the Council's use only

Application No.

Date received

APPLICATION FOR DETERMINATION OF CONDITIONS FOR MINERAL SITE/MINING SITE

SECTION 1.

1. Applicant (*in block capitals*)

Name:

Address:

Tel. No.:

2. Agent (*if any*)

Name:

Address:

Tel. No.:

3. Address or exact location of the land to which this application relates:

ATTACH Ordnance Survey base plans showing location of site and distinguishing the areas to which each permission relates

4. (1) Please specify the land or minerals comprised in the site of which the applicant is the owner or in which the applicant is entitled to an interest

(2) State:- name(s) and address(es) of anyone else the applicant knows, or after reasonable inquiry, has cause to believe to be an owner of any land, or entitled to any interest in any mineral comprised in the site:

Surface Landowners:

Mineral Owners:

5. Type of application: an initial review;
 periodic review; first review; second review.

6. Please list all planning permissions for development consisting of the winning and working of minerals or involving the depositing of mineral waste.

SECTION 2 – Current Use of the Land Covered by the Permission(s)

7. Please give a general description of the land covered by the permission(s)

8.Total area of the land covered by the permission(s) (in ha):

Total area to be excavated (in ha):

Total area to be used for the depositing of mineral waste (in ha):

9. Describe the present use(s) of the land:

SECTION 3 – Details of Any Land Adjoining the Permission Area Owned or Controlled by the Applicant

10. Give particulars of the applicant's interest in adjoining land **outlined in blue on ordnance survey base plan.**

11. Give details of any other planning permissions (**with permission reference numbers**) relating to the land covered by the permission(s) or to any land specified in 10 above:

SECTION 4 – Nature of Intended Future Development at Site

11. Attach details of any intended:

- Lateral extension of existing working
- Deepening of existing working
- Extension of existing operations for depositing of mineral waste
- Re-opening of a disused working
- Re-activation of operations for the depositing of mineral waste

SECTION 5 – Proposed Conditions

12. Attach a schedule of proposed conditions. The conditions should cover:

- ◇ Duration of the permission(s)
- ◇ Access, traffic and protection of the public highway
- ◇ Working programme
- ◇ Environmental protection
- ◇ Landscaping
- ◇ Restoration
- ◇ Afteruse
- ◇ Aftercare (where appropriate)

SECTION 6 – Plans and Drawings

13. In addition to the location plan, plan showing the area of the permission(s) (and adjoining areas in the applicant's ownership or control, where appropriate), attach plans showing the following:

- * Existing surface levels over the area of extraction and/or deposit and the land in the immediate vicinity
- * General method of working, including details of direction and phasing
- * Proposed final levels of the worked out areas prior to restoration
- * Proposed surface area, height and location of mineral stockpiles, topsoil, subsoil, overburden mounds and mineral waste deposits
- * Details of site access, parking, loading, unloading areas etc
- * Details of landscaping and restoration including the final levels of the restored site
- * Details of services crossing or adjacent to the site - eg drainage, gas or electricity supplies
- * Details of land to remain unworked within the application area

SECTION 7 – Voluntary Agreements

14. Please indicate the need for any agreements to achieve environmental acceptability and afteruse identified in pre-application discussions.

Attach outline or draft agreements.

SECTION 8 – Notification and Certification of Application

The application must be accompanied by the appropriate Certificates and Notices required by the Town and Country Planning Act 1990, as if it were an application for planning permission

I/We hereby apply for approval of the conditions as described in the application and accompanying schedule and plans.

Signed:

Date:

On behalf of

CHECK that you have enclosed:-

- a) **4 copies of the location plan with the permission area(s) accurately marked and showing any areas of adjoining land owned or under the control of the applicant accurately outlined in blue;**
- b) **4 copies of the plans specified in Question 13 of the application form**
