## Important information regarding admission criteria

The information provided in this booklet serves as a *guide* to the admission criteria for all Surrey schools. *It should not be regarded as definitive.* Please contact academies and foundation, free and voluntary aided schools for detailed information about their admission criteria and the local authority for detailed information on community schools or visit: [www.surreycc.gov.uk/admissions](http://www.surreycc.gov.uk/admissions).

**Catchment area maps:** where these apply, they can be viewed on the school's website.

## KEY

Some schools might change to academy status during the 2018/19 academic year. For up to date information on the type of each school please see the 'Directory of Surrey schools' at [www.surreycc.gov.uk/schools](http://www.surreycc.gov.uk/schools).

A = Academy  
 C = Community school  
 F = Foundation school

Fr = Free school  
 VA = Voluntary Aided school

PAN = Published Admissions Number – this is the number of places that each school expects to offer.

LAC & PLAC = Looked after and previously looked after children.

EHCP = Children with an Education, Health and Care Plan.

✱ Next to the school name indicates that the school will be taken into account when assessing each child's nearest school when considering admission to community schools.

📄 This symbol in the fourth column indicates that a separate supplementary information form may need to be completed. Where criteria numbers are listed, the supplementary information form only needs to be completed by parents applying under those criteria. Supplementary information forms are available at [www.surreycc.gov.uk/admissions](http://www.surreycc.gov.uk/admissions) or from the school and must be returned directly to that school. The local authority application form must be completed in all cases.

# Against the Published Admission Number (PAN) indicates that the school provision or admission number is under review at the time of going to print. If you would like an update before completing your application please telephone the Surrey Schools and Childcare Service on 0300 200 1004.

## Number offered

We show the number of pupils offered a place at each school for September 2018. In some instances the total number offered was more than the Published Admission Number (PAN). This is generally because additional places were offered to meet local demand.

\* Next to the number offered indicates that the school intended to drop back to PAN for the 2018 intake

\*\* Next to the number offered indicates that the school intended to admit an exceeded PAN for the 2018 intake

Where a school was oversubscribed in 2018 we have included the distance (where appropriate) from which the last applicant was allocated. This has been included within the criterion under which the last applicant was offered a place. In some cases vacancies remained after the initial allocation to on time applicants and these were filled by applicants who had applied late. This data is relevant to the allocation date of 1 March 2018.

## YEAR 10 ADMISSIONS

### LIST OF UNIVERSITY TECHNICAL COLLEGES AND STUDIO SCHOOLS IN AREAS SURROUNDING SURREY

UTCs and studio schools admit children at the beginning of Year 10. UTCs are set up by universities and businesses and specialise in one or two technical subjects. In Years 10 and 11 they offer a similar GCSE curriculum to a typical secondary school, including English and Maths, as well as their specialist subject(s). You can find out more about UTCs at [www.utcolleges.org/utcs](http://www.utcolleges.org/utcs). Studio schools are similar to UTCs in that they have employer involvement in the curriculum and focus on developing skills needed for employment, involving personal coaching and work experience. They have a similar curriculum to a typical secondary school.

More information on the number of places available at each school, the admissions policy and how to apply can be found from each school's website.
