SURREY COUNTY COUNCIL (“THE COUNCIL”) PROPOSE TO MAKE the above mentioned Temporary Traffic Order under Section 14(1) of the Road Traffic Regulation Act 1984, the effect of which will be to temporarily prohibit vehicles from entering or proceeding in that length of Holman Road (D2212) West Ewell which extends from the property boundary line between Nos. 8 and 9 Holman Road to the property boundary line between Nos. 9 and 11. This Order is required to enable Surrey County Council to carry out carriageway surfacing works, which is anticipated to be carried out as soon as possible, during the 18 month period of operation of this Order which will commence on 9 September 2019. Advanced warning signs will be displayed and the temporary closure, which is anticipated to be in force 24 hours per day, will only operate when the relevant traffic signs are displayed. Any vehicle found to be obstructing the highway during these works will be removed to outside the limits of the works after all reasonable methods have been undertaken to identify and contact the vehicle’s owner. Access for pedestrians will be maintained at all times. Due to the nature of the works, access to premises within the closed area, including access by emergency vehicles to these properties, will not be maintained. The Council are satisfied that, in accordance with Section 3(2)(a) and 3(2)(b) of the Act, vehicular access to and from premises within that length of Stoneleigh Park Road, or accessible only therefrom may be restricted in order to avoid danger to persons or other traffic using the road and/or for preventing the likelihood of any such danger arising. **Alternative Route** – Cox Lane, Hogsmill Way and Millais Way or vice versa.
