On 19 August 2020 Surrey County Council made the above mentioned Temporary Traffic Order under Section 14(1) of the Road Traffic Regulation Act 1984 the effect of which will be to prohibit vehicles from waiting at anytime in the following lengths of roads – (a) the entire length of the lay-by on the west side of Gloster Road (D3722) Old Woking situated outside property Nos. 1 to 15 Gloster Road; (b) that length of the northern side of Priors Croft (D3722) Old Woking which extends from the existing double yellow line restriction situated outside property Nos. 1 and 4 Priors Croft eastwards to the existing double yellow line restriction outside property Nos. 3 and 6 Priors Croft; (c) that length of the northern side of Priors Croft (D3722) Old Woking which extends from the existing double yellow line restriction situated opposite property No. 49 High Street eastwards for a distance of 125m, including the entire length of the lay-by situated opposite Lamp Column N4; (d) that length of the southern side of Priors Croft (D3722) Old Woking which extends from the eastern boundary line of the property known as Copthorne to the property boundary line between property Nos. 87 and 88 Priors Croft. This Order is required because works are being or are proposed to be executed on or near the said roads, namely development related works, including but not limited to: crane erection/dismantling works, drainage connection works and other associated works, to be carried out by Willmott Dixon Construction Limited. These works are anticipated to be carried out between 8am and 6pm on weekdays and between 8am and 1pm on Saturdays, during the 18 month period of operation of this Order which will commence on 24 August 2020 (however the works are anticipated to be completed by 1 October 2021). Advanced warning signs will be displayed and the temporary prohibition of waiting will only operate when the relevant traffic signs are displayed and to the extent indicated by those signs. Exemptions are provided in respect of the temporary waiting restrictions to permit vehicles to wait in order to pick up and set down passengers, to load and unload goods, to carry out essential services and works or when used by local authorities in pursuance of statutory powers or duties and for furniture removals. Exemptions will also apply for vehicles when waiting because they are required by law to stop, are obliged to stop in order to prevent an accident or are prevented from proceeding because of circumstances outside the drivers control and in respect of anything done with the permission or at the direction of a police constable in uniform or of a civil enforcement officer when the temporary restrictions are in force. Note: Disabled persons displaying a disabled persons blue badge will not be exempt from the temporary waiting restrictions.
