Temporary Prohibition of Traffic Order 2022

On 09 February 2022 Surrey County Council made the above-mentioned Temporary Order under Section 14(1) of the Road Traffic Regulation Act 1984, the effect of which will be to temporarily prohibit vehicles from entering or proceeding in the lengths of roads specified in the Schedule to this Notice.

This Order, which will commence on 14 February 2022 for a period of 18 months is required because works are being or are proposed to be executed on or near the said roads, to be carried out by or on behalf of Surrey County Council, including but not limited to: raised zebra crossing facility construction and/or footway improvements and/or lining works.

These works are anticipated to be completed in four phases, one phase for each length of road specified in the Schedule to this Notice. Advanced warning signs will be displayed, and the temporary closures will only operate when the relevant traffic signs are displayed. Any vehicle found to be obstructing the highway during these works will be removed to outside the limits of the works after all reasonable methods have been undertaken to identify and contact the vehicle's owner.

Access for pedestrians will be maintained at all times, as will access for emergency service vehicles in an emergency situation only. Vehicular access for residents and businesses will be maintained only when safe to do so, if necessary, via the diversion route. During certain phases of the works, vehicular access to premises may be restricted. When this is the case such restriction of access will apply for no more than eight hours within any 24-hour period.

The Council are satisfied that, in accordance with Section 3(2)(a) and 3(2)(b) of the Act, vehicular access to and from premises within the length of road above or accessible only therefrom may be restricted in order to avoid danger to persons or other traffic using the road and/or for preventing the likelihood of any such danger arising.
