GCSE English

If you are an adult wishing to study GCSE English for the first time or if you want to re-take this nationally recognised qualification, our course is right for you. The new GCSE English course, which will be introduced from September, is a skills based course. You will study with us for one year on this untiered course (not split into Foundation and Higher levels) and sit 2 exams at the end of the year in June. The new GCSEs are graded 9 (highest grade) to 1 (lowest grade) and you will aim for a minimum of grade 4/5 which is the level likely to be required for many careers and higher education courses. The GCSE course will help you to develop skills in speaking, listening, reading and writing to communicate with others confidently and effectively. You will study a range of texts including fiction and non-fiction and the two final exams will test your reading of unseen texts and extended writing.

You will receive tuition from a professional tutor, experienced in teaching adults. The course will take place in a relaxed, adult only, learning environment.

It is a requirement that you attend an Information, Advice and Enrolment session before enrolling on a GCSE English course. This will enable you to complete a short assessment and give you the opportunity to discuss the course in more detail to ensure it is right for you.

Information, Advice and Enrolment sessions take place in early September (see dates on page 81). Please phone 0300 200 1044 to book your place.

Support with child care may be available to you when attending courses at the Molesey Centre. Please contact the Customer Service Team for details on 0300 200 1044.

**These courses are FREE subject to standard eligibility criteria.*

English as a Foreign Language (EFL)

English as a Foreign Language (EFL) is for au pairs, students, short-term and permanent residents who would like to improve their English and also their job and career prospects in this country and throughout the world.

Which course is right for you?

To find out which course is best for you, come to a short interview and test at an Information, Advice and Enrolment session. Please also bring cash or a card to pay for your course and enrol. These sessions take place at our centres in Camberley, Esher, Farnham, Guildford, Sunbury and Woking (see following pages for details). If you miss the Information, Advice and Enrolment session at your local centre, please contact our Customer Service Team on 0300 200 1044 who will be able to help you find a suitable course.

What will you learn?

Our aim is to help you improve your speaking, listening, reading and writing skills in English. We will help you to speak more confidently, improve your pronunciation and develop your vocabulary and grammar, using materials from real life situations supported by a textbook.

We give you clear goals to enable you to measure your progress. We expect you to work hard but our classes are fun, informative and a great place to make new friends.

At Elementary level (A2) you will:

- Use basic English vocabulary and phrases to talk about familiar situations;

- Ask and answer simple questions;
- Listen for important information in everyday situations – e.g. shopping, at a railway station or in a café;
- Read and write simple sentences.

At the Lower Intermediate level (B1) you will:

- Speak more confidently, using clear pronunciation;
- Develop your knowledge of English grammar, using simple present and past tenses;
 - Improve your listening skills in a range of everyday situations.

At the Intermediate level (B1+) you will:

- Increase your vocabulary and communicate with growing confidence;
- Read and discuss a range of written texts, including newspaper and magazine articles;
- Improve your listening skills, including listening and responding to English spoken at normal speed.

At the Upper Intermediate level (B2) you will:

- Widen your vocabulary;
- Recognise and use formal and informal language;
- Strengthen your grammar skills;
- By the end of the course you will be able to deal with a range of social interactions, create increasingly complex sentences and discuss a variety of topics.

At the Advanced level (C1) you will:

- Improve your fluency;
- Recognise and use a complex range of grammatical and lexical structures;
- Learn to use natural English expressions, including the use of idioms, phrasal verbs, collocations, synonyms and metaphors.

By the end of the course you will be able to communicate effectively and talk about a wide range of subjects related to yourself, society, culture and the world around us.

Learners attending the Upper Intermediate level course at Camberley or Esher Green can get help with preparing for the internationally recognised

Cambridge First Certificate in English (FCE). The examination is optional and can be taken at an authorised exam centre in the UK or abroad. Additional exam fees apply (£120 approximately). Please ask for the exam leaflet.

Conversation courses provide maximum opportunity to speak freely and creatively in the taught language.

How are the courses taught?

Classes are friendly and informal. Sometimes you will work in pairs or groups so that you can practise speaking more. Your tutor will give you regular feedback and help you to assess your progress and achievement. Your tutor will also let you know, at the first class if you need a textbook.

If you are interested in preparing for IELTS exams, please come along to our Esher Green Information, Advice and Enrolment sessions on Monday 12th September 10:00 - 11:30am or Tuesday 13th September 6:30 - 8:00pm to find out what we can offer.

Course Fees

The Full fees listed in this brochure are subsidised by a grant from the Skills Funding Agency. Not everyone will be eligible for these subsidised fees and we are required to confirm whether or not you qualify when you enrol.

You will qualify for the subsidised fees if you are aged 19 years or over and:

- are a national of any European Union (EU) country or are the spouse, civil partner or child

of an EU national and have been continuously resident in the European Economic Area (EEA) for at least the three years before the start of your course.

Other subsidised fees include:

Age benefit – 15% off if you're aged 64 years and over and not in full-time paid work, or

State benefits discount – 50% off if you claim one of the eligible benefits listed on our website.

If you do not meet the above criteria, you will have to pay a higher, non-EU, fixed fee.

Foreign Languages

Whatever your age, background or previous learning experience, you can learn a new language. Whether you are planning a holiday, thinking of moving abroad, wish to learn a language for interest or need to improve your language skills for work, one of our courses will be right for you.

We offer a wide range of languages and levels (referred to as Stages) to meet the needs of the complete beginner through to the advanced learner. Learn in a welcoming and relaxed environment with encouragement and support from our skilled and qualified tutors and through interaction with fellow learners.

What's the right Stage for you?

It's very important to attend the right Stage of course. If you are a returning learner your tutor will have explained what Stage you should progress to. If you are a new learner, please complete the Diagnostic Self-Assessment Form on pages 118-119 to help you decide which Stage is right for you. Diagnostic Self-Assessment Forms can also be found on our website or are available from our centres. If you are still unsure, you may be able to discuss your Stage with your tutor prior to the first session. Please contact the Customer Service Team for more information.

How are the courses taught?

Emphasis is on developing speaking and listening skills in your chosen language. Reading, writing and essential grammar are also incorporated into the course. Learning and achievement are based on learning goals, both individual and for the course, which are discussed and negotiated with learners at the beginning of the course. Sessions are lively and varied and include pair and group work and discussion in the taught language to maximise exposure to, and use of, the language you are learning.

Do you need a textbook?

Your tutor will let you know at the first class if you need a textbook.

Language levels and progression

The chart below shows how our language Stages map to European and national levels and gives an indication of prior knowledge needed at each Stage.

Common European Framework	Surrey Adult Learning courses	
A1 Beginner	Stage 1	For absolute beginners with no previous knowledge of the language. Courses at this level will enable you to 'get by' and cope with everyday situations. The emphasis is on listening, speaking and understanding.
	Stage 2	For learners with some basic knowledge and those who want to 'restart'. You may lack confidence or feel rusty. You will consolidate previous knowledge and develop skills in the basic structures of the language.
A2 Elementary	Stage 3 and Stage 3+	For learners who can hold a simple conversation and follow basic directions and instructions. You will learn to express your likes and dislikes and give simple opinions. You will also use a range of tenses.
B1 Intermediate (equates to GCSE)	Stage 4 and Stage 4 +	For those who have a reasonable knowledge of the language. Structures will be revised and developed and you will begin to converse more freely.
	Stage 5 and Stage 5+	For learners with a good working knowledge of the language who wish to improve accuracy and the ability to express themselves on a range of topics.
B2 Upper Intermediate (equates to 'A' level)	Stage 6 and Stage 6+ Stage 7 and Stage 7+	For learners with a degree of fluency, spontaneity and accuracy. You will understand authentic material and have the opportunity to discuss a wide range of issues, arguing your viewpoint convincingly.

Following the Common European Framework guidelines each Surrey Adult Learning Stage will normally take one academic year.

Learners who start as complete beginners may progress through the Stages year by year. Each Stage is divided into three terms covering different content. If you have studied the language before, you are welcome to join at the Stage or Term most appropriate for you. (Please use the Diagnostic Self-Assessment Form at the end of this section on pages 118 - 119.)

Brush Up - Our Brush Up courses are designed for learners who have some previous knowledge of the language, but who may not have studied it for a while and may be feeling rusty. If you wish to re-start at a particular Stage, try one of our Brush Up courses first.

Please contact our Customer Service Team on 0300 200 1044 for more information if required.
