PARK ROAD (SECTION 4)

Section 4 connects Stanwell Moor Road to Town Lane. This links Stanwell Moor and Staines to the Heathrow complex and the businesses on Bedfont Road (See section 7).

Some cycling facilities are located along Park Road but need improving. The pavements are narrow and poorly surfaced in places.

IMPROVEMENTS COULD INCLUDE

- Resurfacing and widening the existing off road shared cyclist/pedestrian route
- Extending the existing off-road path so it links Stanwell Moor Road and Park Road.
- Putting a signalised crossing in at the junction of Park Road and Stanwell Moor (see Section 3).
