The aim of the course is to learn to prepare a range of tasty, nutritious meals that you can reproduce at home at a reasonable cost. This course will teach you about tasty home cooking, covering sweet and savoury recipes to appeal to adults and children alike.

Learners will be able to identify the skills needed for different recipes and gain confidence in preparing dishes using the skills they have learnt. The course is planned to help you work within a limited budget for ingredients, to keep your cookery costs low.
