ON 6 MAY 2020 SURREY COUNTY COUNCIL MADE the above-mentioned Temporary Order, under Section 14(1) of the Road Traffic Regulation Act 1984. The effect of which is to temporarily prohibit all vehicles from proceeding along that length of Hillbury Road (B270) Whyteleafe, as extends between its western and eastern junctions with Westhall Road. Access for pedestrians and emergency service vehicles will be maintained at all times. Access for residents will be maintained only when and where safe to do so, if necessary, via the diversion route. During certain phases of the works, vehicular access may be restricted. When this is the case such restriction will apply for no more than eight hours within any 24-hour period. The Order is required to facilitate carriageway surface dressing and pre-patching works, on behalf of Surrey County Council and will come into force on 15 May 2020, for a period of 18 months. The Order will only be operative while the relevant signs are displayed. Any vehicle found to be obstructing the highway during these works will be removed to a suitable location outside the limits of the works after all reasonable methods have been undertaken to identify and contact the vehicle’s owner. The alternative route for traffic will be via Westhall Road, or alternatively via A22, A25, Detillens Lane, High Street, Titsey Road, Titsey Hill, The Green, Limpsfield Road and Westhall Road or vice versa.
