Temporary Prohibition of Traffic Order 2022

On 18 May 2022 Surrey County Council made the above-mentioned Temporary Order under Section 14(1) of the Road Traffic Regulation Act 1984, the effect of which will be to prohibit vehicles from entering or proceeding in the entire length of Doods Road (D1245) Reigate.

Alternative Route - Wray Common Road; and Croydon Road or this same route in reverse.

The Order is required to facilitate mains gas replacement works to be carried out by, or on behalf of SGN within the length of road described in this notice. These works are anticipated to be carried out over in two phases – (1) commencing 23 May 2022 for two weeks; and (2) commencing 13 June 2022 for three weeks between the hours of 7am and 6pm within the 12-month period of operation of this Temporary Traffic Order which commences on 23 May 2022. Advanced warning signs will be displayed, and the temporary closure will operate only when the relevant traffic signs are displayed.

Access for pedestrians and dismounted cyclists will be maintained at all times. Vehicular access to premises within the closure area will be maintained where safe to do so, however there will be no vehicular access through the works area and all vehicular traffic will need to use the signed diversion routes to avoid these points.

The Council are satisfied that, in accordance with Section 3(2)(a) and 3(2)(b) of the Act, vehicular access to and from premises within the length of road above or accessible only therefrom may be restricted in order to avoid danger to persons or other traffic using the road and/or for preventing the likelihood of any such danger arising.
