Cycling

Cycling is an easy and cost-effective way to get to work. Use the improved cycle path on Oyster Lane and link up with the existing cycle network to Brooklands, Sheerwater business estates, Byfleet, West Byfleet, Horsell and Woking town centre as well as local train stations including Byfleet & New Haw, West Byfleet and Woking.

For information on cycle parking at each station go to: www.nationalrail.co.uk

Cycle Woking

Cycle Woking is an initiative to encourage people to get cycling in the borough and promote healthier living. The Planet Trails are a network of cycle routes in Woking, some of which are overleaf. Other Planet Trails run along the Basingstoke Canal to West Byfleet and New Haw, Chertsey to St Peters Hospital and between Woking and Guildford.

What is Travel SMART?

Travel SMART is a programme designed to provide people with more travel choices that help cut carbon, calories and cost. It aims to support economic growth and cut carbon by helping people travel better.

Travel SMART has made walking and cycling improvements to Oyster Lane making it easier to get to Brooklands, Byfleet, Addlestone and surrounding areas. For further information on how Travel SMART will be working in your area go to:

Cycling by Train

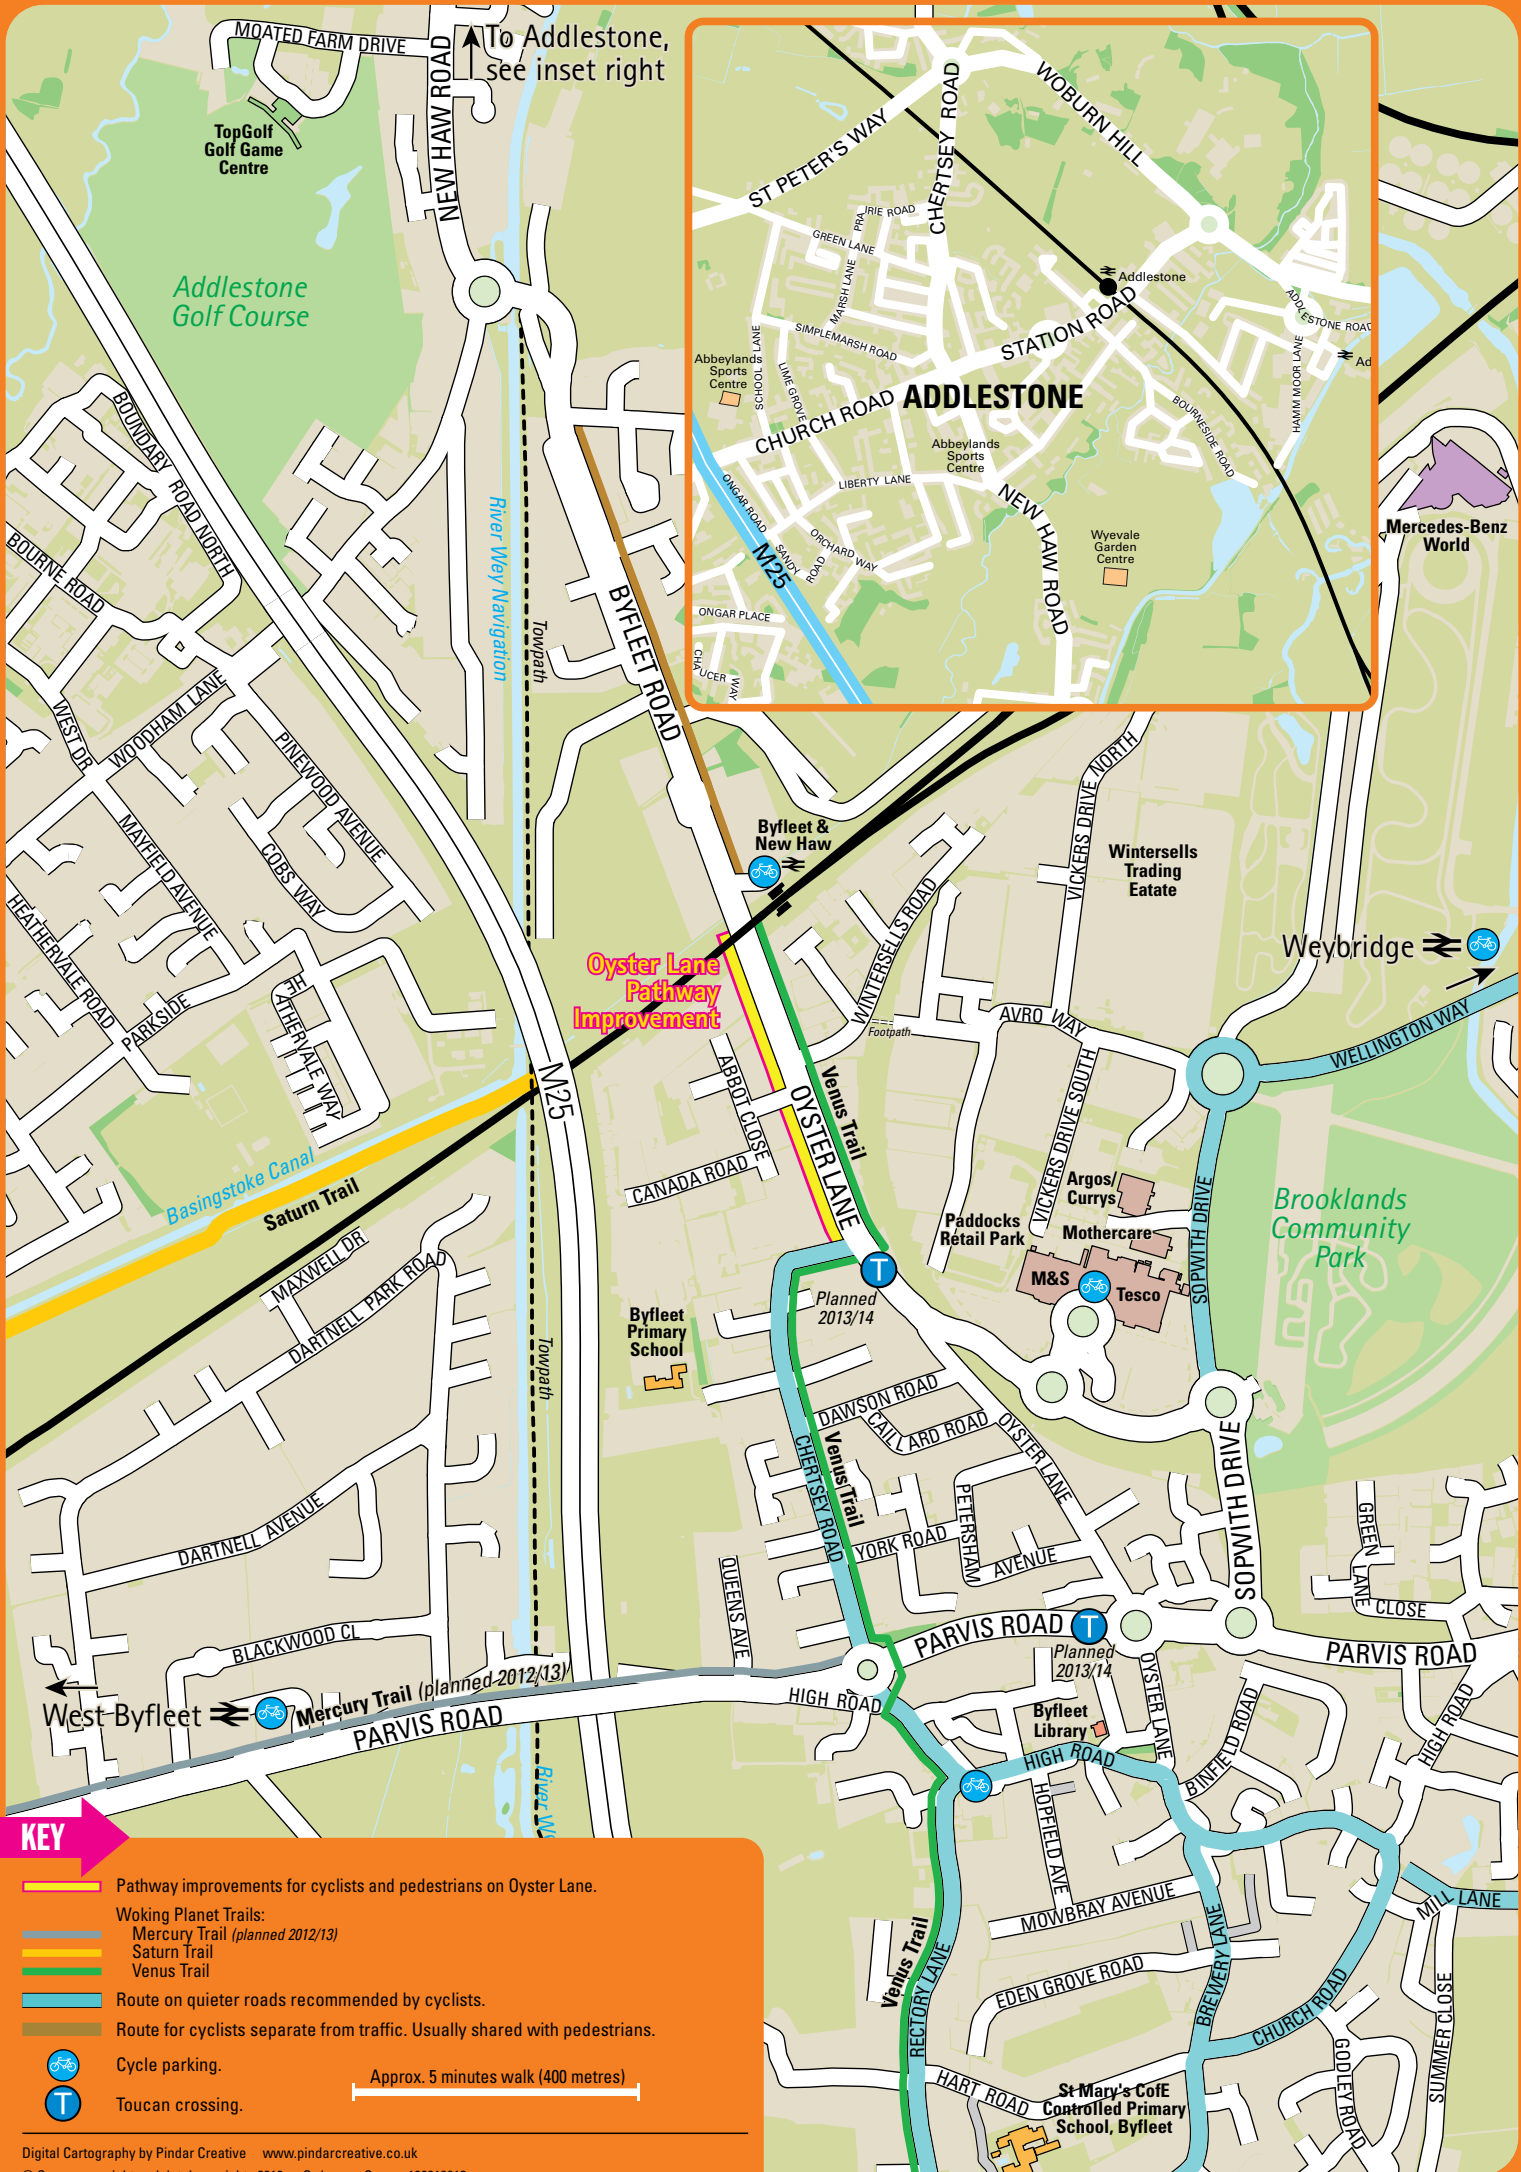

Bicycles can be taken on many services but some exceptions do apply. The main exceptions are the services that arrive in London during the morning peak hours or leave London during evening peak hours when only folding bicycles can be taken onto trains. The Oyster Lane improvement links up cycle paths with Byfleet & New Haw station which will help cut down costs and journey time.
