FATHER

We have three children, a 4 year old, 3 year old and 9 month old. My wife has a chronic health condition which means she finds it difficult to care for our children. I help as much as I can but have to work too. Would there be any support available to help?

- Details of services which may be able to offer respite

CHILDREN

- Make parents aware of **different childcare options**, including a Home Child Carer
- Explain their 3 year old is eligible for **Free Early Education**
- Give details of the local **Children's Centre** and explain the type of support they can offer
