

Times change. And so do we.

We're changing the way you can redeem student/child fares on our buses.

1 Secondary School
(ages 11-16)

You no longer need to show us your Surrey Student Fare Card. Your school uniform is enough of a hint to us as we reckon you'll probably be wearing something more fashionable at the weekend.

2 College/Uni
(ages 16-19)

Show the driver your student card and ask for a child ticket. Whether you splash out on a single, day, weekly or monthly is completely up to you.

3 Download the
Hallmark Bus app

It's the easy way to buy and store tickets, track your bus, plan journeys and much more! There's also links to our social media so you can get the latest #ServiceUpdate, and tell us how we're doing.
