THE SURREY COUNTY COUNCIL
VARIOUS ROADS IN THE BOROUGHS OF ELMBRIDGE AND SPELTHORNE
(WEYBRIDGE 10K EVENT)
(TEMPORARY TRAFFIC MEASURES) ORDER 2019

ON 12 JUNE 2019 SURREY COUNTY COUNCIL MADE the above mentioned Temporary Order, pursuant to Sections 16A and 16B of the Road Traffic Regulation Act 1984 (“the Act”), the effect of which will be (i) to prohibit all vehicles from entering or proceeding along those lengths of roads specified in the Schedule to this Notice, or any parts thereof. Such restriction shall also apply in relation to the riding, leading or driving of horses or any other animals, and (ii) Prohibit vehicles from stopping or remaining at rest in those lengths of roads specified in the Schedule to this Notice. The Order will come into effect on 23 June 2019, for a period of one day and is required to facilitate the holding of an event on the highway, namely the Weybridge 10K running event. The temporary closures specified above will not apply to such vehicles being used in connection with the said event, or to anything done on the direction or with the permission of a police constable in uniform or a traffic marshal, or any sign placed by Surrey Police. Emergency access will be maintained for the police, fire brigade and ambulance services; and for organisations responsible for dealing with the loss of supplies of gas, electricity, water or electronic communications, to premises in the area; and for the removal of any obstruction to traffic. No exemption will apply for disabled persons’ vehicles. The restriction on stopping specified in paragraph (ii) above shall also not apply to any vehicle required to stop by law or in order to prevent an accident, or a local bus to allow a person to board or alight from the vehicle at a designated bus stop, or for the purpose of opening/closing any gate or barrier at the entrance to premises to which the vehicle requires access. The prohibitions will only be operative while the relevant traffic signs are displayed.

The Council are satisfied that, in order to avoid danger to persons or other traffic using the road to which this Order relates, or for preventing the likelihood of any such danger arising, vehicular access to premises situated in such lengths of roads specified in the Schedule, or accessible only therefrom, may be restricted, save for emergency access as indicated above. It is anticipated that the prohibition of stopping will take effect between 6am and 11am and the temporary closure between 8.30am and 11am (Walton Lane from 7.30am).

Access for pedestrians will be unaffected. The Council are also satisfied, in accordance with subsection (3) of Section 16A of the Act, that the event to which the Order relates cannot be held otherwise than on a road. Such is the length of the route and the nature of the closure, the Council does not consider it practical to recommend alternative routes.

A copy of the Order, together with a plan showing the event route, may be inspected free of charge at Weybridge Library, Church Street, Weybridge, Surrey KT13 8DE, during normal opening hours. Further information concerning the event may be obtained from the event website: www.weybridge10k.com, or by email via the website or at events@surreycc.gov.uk, or by mail at the address below.
