**PAN (Published Admission Number)**
The PAN is the number of applications that a school will accept from external applicants for admission to the sixth form in addition to the internal applicants who attended Year 11 of the school during 2019/20.

**Internal Students**
Each school will welcome applications for entry to their sixth form from students who have attended the school in Year 11 in 2019/2020 and wish to enter the sixth form in September 2020.

**External Students**
Each school also accepts applications for entry to their sixth form from external candidates who attended another school for Year 11 during 2019-2020.

**Entry Requirements for Both Internal and External Students**
Enter to the sixth form is subject to a student having achieved the entry requirements for the programme of subjects/courses they wish to pursue, whether vocational or academic. Students should refer to each school’s Sixth Form Prospectus for further details of individual subject requirements; individual subjects may be limited in the number of students they are able to accommodate.

**Number of External Places Offered for September 2019**
Please note these figures are provisional, as final places will be subject to students meeting the minimum entry requirements.
