SURREY COUNTY COUNCIL PROPOSE TO MAKE the above mentioned Temporary Traffic Order under Section 14(1) of the Road Traffic Regulation Act 1984, the effect of which will be to temporarily prohibit vehicles from entering or proceeding in the lengths of roads specified in The Schedule to this Notice. This Order is required to enable Surrey County Council to carry out highway maintenance works and/or patching works and/or surfacing dressing works, which are anticipated to be carried out as soon as possible within the 18 month period of operation of this Order which will commence on 10 February 2020. Advanced warning signs will be displayed and the temporary closures will only operate when the relevant traffic signs are displayed. Any vehicle found to be obstructing the highway during these works will be removed to outside the limits of the works after all reasonable methods have been undertaken to identify and contact the vehicle’s owner. Access for pedestrians will be maintained at all times, as will access for emergency service vehicles in an emergency situation only. Vehicular access for residents and businesses will be maintained only when safe to do so, if necessary via the diversion route. During certain phases of the works, vehicular access to premises may be restricted. When this is the case such restriction of access will apply for no more than eight hours within any 24-hour period. For part (c): The Council are satisfied that, in accordance with Section 3(2)(a) and 3(2)(b) of the Act, vehicular access for HGVs may be restricted in order to avoid the likelihood of danger to persons or other traffic using the road or for preventing the likelihood of any such danger arising.
