Surrey Waste Local Plan

The Town and Country Planning (Local Planning) (England) Regulations 2012

Publication of Inspector’s Report

Surrey County Council have prepared a Surrey Waste Local Plan, which was submitted to the Secretary of State on the 12 April 2019 for independent examination.

The Surrey Waste Local Plan sets out a vision, strategic objectives, and policies to enable the delivery of sustainable waste management within Surrey for the period up to 2033. This includes site allocations and is supported by a Policies Map.

Notice is hereby given that Surrey County Council received the Inspector’s Report on the Examination of the Surrey Waste Local Plan on 11 May 2020. The report sets out the Inspector’s recommendations and her reasons for them.

The Inspector’s Report concludes that the Surrey Waste Local Plan provides an appropriate basis for the planning of the County provided a number of main modifications are made to it.

In view of the current Covid-19 restrictions hard copies of the Report are not currently being made available at County Hall or the main offices of the eleven district and borough councils in Surrey.

However, should anyone wish to receive a hard copy by post then they should contact the county council by one of the methods below:

Email: wasteplan@surreycc.gov.uk

Letter: Planning and Development Service Minerals and Waste Planning Policy, Room 385, County Hall, Penrhyn Road, Kingston upon Thames, KT1 2DW

Phone: 03456 009 009

Once the current Covid-19 restrictions have been lifted, hard copies will be available for inspection during normal office hours at all Surrey district and borough offices and County Hall.
