On 7 October 2020 Surrey County Council made the above-mentioned Temporary Order under Section 14(1) and (7) of the Road Traffic Regulation Act 1984. The effect of which is to temporarily:

(1) Prohibit all vehicles from entering or proceeding along the lengths of roads in the First Schedule to this Notice. Advanced warning signs will be displayed, and the temporary closures will only operate when the relevant traffic signs are displayed. Access for pedestrians will be maintained at all times as will vehicular access for residents and emergency service vehicles in an emergency situation.

(2) Prohibit waiting by vehicles, at any time, in the lengths of roads in the Second Schedule to this Notice. The temporary waiting restrictions will only apply when the relevant traffic signs are in place. Exemptions are provided in respect of the said waiting restrictions, such as to permit vehicles to wait in order to pick up and set down passengers or to load and unload goods, where necessary to carry out essential services and works or when used by local authorities in pursuance of statutory powers or duties and for furniture removals and Post Office vehicles; vehicles when waiting because the driver is required by law to stop, are obliged to stop in order to prevent an accident or are prevented from proceeding because of circumstances outside the driver’s control; and in respect of anything done with the permission or at the direction of a police constable in uniform or of a civil enforcement officer. No exemption shall apply for blue badge holders.

(3) Suspend the restriction on waiting in Bacon Lane, Frensham, imposed by The Bacon Lane (C27) Frensham in the Borough of Waverley (24-Hour Main Carriageway Clearway) Order 2013.

The Temporary Traffic Order is required because of the likelihood of danger to the public, caused by obstructive parking, and the temporary closures are required to allow the installation of the relevant road markings for the temporary waiting restrictions. The Order will commence on 12 October 2020 and continue for a period of 18 months.
