## Being a Child Champion

All members of the TAF are jointly responsible for developing and delivering the package of support and for completing their assigned actions. Each member should support the TAF by keeping the child champion informed, providing information and attending meetings. The child champion will co-ordinate meetings to regularly review progress.

A lead practitioner should undertake the early help assessment, provide help to the child and family, act as an advocate on their behalf and co-ordinate the delivery of support services. Working Together to Safeguard Children 2018.
