We are proposing that, where possible, Section 6 would consist of routes through quiet residential streets and the recreation ground.

Routes would link up to form a continuous network radiating from Stanwell out to key destinations like Heathrow, Staines town centre and Ashford Hospital.

Turn to page 2 for map

**STANWELL RESIDENTIAL LINKS (SECTION 6)**

**IMPROVEMENTS COULD INCLUDE**

- Creating a network of pedestrian and cyclist routes using quiet roads where possible or green space. This could include connecting to Clare Road, Falcon Drive and Hadrian Way, as well as linking to existing footpaths across the recreation ground.

- Providing directional signs towards places where people work such as the Heathrow terminal complex.

**KEY**

- Improvement for cyclists
- Improvement for pedestrians

**Recreation ground near Falcon Drive**

**An example of directional signage**
