Updated September 2018

Surrey County Council's Adult Learning service offers a variety of courses in Arts and Crafts suitable for beginners to more experienced learners.

A list of these courses can be found in our Surrey Adult Learning brochure, which is published prior to the start of courses in the autumn term, and online. The brochures are available at all our Adult Learning Centres and Surrey Libraries. New courses are added throughout the year. You can also search our website [www.surreycc.gov.uk/adultlearning](http://www.surreycc.gov.uk/adultlearning). New courses are added throughout the year.

The purpose of this leaflet is to give additional information to any person wishing to extend their learning, either by progressing to courses at a higher level or by gaining access to specialist art and craft organisations. Your tutor may also be able to advise on specialist or local opportunities.
