ON 10 JULY 2019 SURREY COUNTY COUNCIL MADE the above mentioned Temporary Order under Section 14(1) of the Road Traffic Regulation Act 1984. The effect of which is to temporarily prohibit all vehicles from entering or proceeding along that length of Green Street (C230), Sunbury-On-Thames, as extends from the southern property boundary of the property known as “The White House” to its junction with Sunbury Cross Roundabout. The Order is required to facilitate gas main replacement works on behalf of Triio. These works are anticipated to be carried out within 5 weeks, during the 12 month period of operation of this Order, which begins on 22 July 2019. The closure will stay in force continuously whilst the work is in progress and will not be lifted. Advanced warning signs will be displayed and the temporary closure will only operate when the relevant traffic signs are displayed. Access for pedestrians will be maintained at all times. Vehicular access will be maintained for residents only and will be facilitated by imposing a one-way driving restriction on the said length of road, so that vehicles shall proceed northwards. All other vehicles will be required to use the alternative route, namely Staines Road West, Windmill Road and Nursery Road, or vice versa.
