Surrey COVID-19 Summary

Cases and Rates

For more detail please see full report at www.surreycc.gov.uk/covidcases

From 31 January 2022, UKHSA have moved to an episode-based definition of COVID-19 cases. They now count individuals each time they have a new infection, previously cases were deduplicated. This change has been backdated for the entire pandemic. For further detail on how UKHSA define a reinfection, please see coronavirus.data.gov.uk

All data is publicly available. Data is shown by specimen date - reporting delays mean data can be incomplete for the most recent days. For this reason the data shown is for the seven-day period ending four days prior to the publication date. The rate is calculated daily by Surrey County Council Public Health data intelligence team using the ONS 2019 mid-year population estimates. The 7-day average line on the chart is calculated using the average of cases for three days before, the date itself and the three days after any specific date. The average is not calculated for the most recent three dates as there is not enough data. For more detail please refer to the Surrey COVID Intelligence Summary at www.surreycc.gov.uk/covidcases and coronavirus.data.gov.uk

Hospital Admissions

There were **1,536** people admitted to hospital with COVID-19 in the last 7 days (25 January 2022 to 31 January 2022) in the South East. This is **168** more admissions than the previous week (18 January 2022 to 24 January 2022).

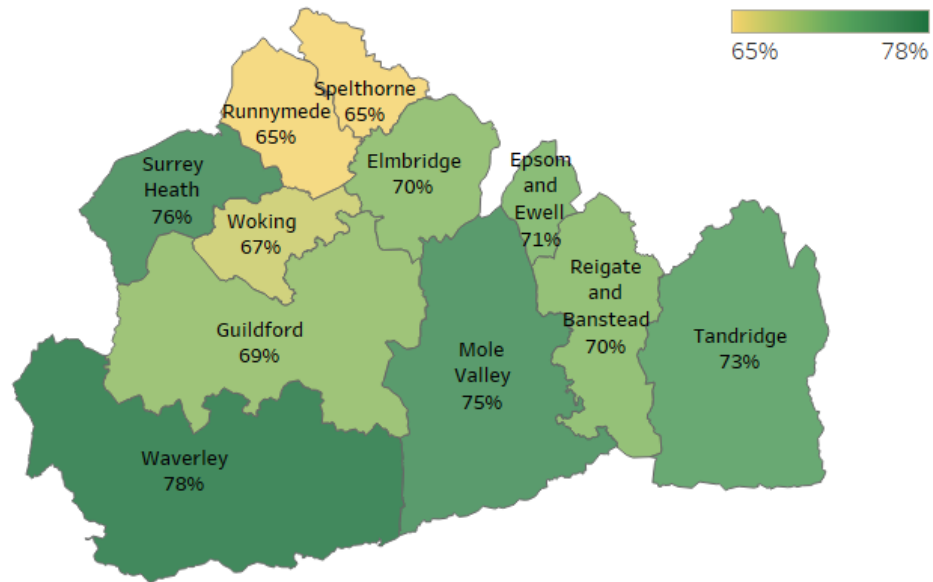

For a breakdown of hospital admissions by NHS Trust please see full report at www.surreycc.gov.uk/covidcases

For a breakdown of vaccinations by cohort, please see full report at www.surreycc.gov.uk/covidcases

Vaccinations

Data up to 1 February 2022

Percentage of 18+ population who have had a booster or third dose of a vaccine

	First dose uptake (Ages 12+)	Second dose uptake (Ages 12+)	Booster/Third dose uptake (Ages 18+)
Elmbridge	83%	78%	70%
Epsom and Ewell	85%	80%	71%
Guildford	85%	79%	69%
Mole Valley	87%	83%	75%
Reigate and Banstead	85%	80%	70%
Runnymede	80%	75%	65%
Spelthorne	82%	77%	65%
Surrey Heath	88%	82%	76%
Tandridge	87%	81%	73%
Waverley	88%	82%	78%
Woking	83%	77%	67%
Surrey	85%	79%	71%
South East	84%	79%	69%
England	80%	74%	62%

Note: For more information on who is eligible for a vaccine please see www.nhs.uk/conditions/coronavirus-covid-19/coronavirus-vaccination/who-can-get-the-vaccine/

All data is publicly available at www.england.nhs.uk/statistics/statistical-work-areas/covid-19-vaccinations and www.coronavirus.data.gov.uk/details/vaccinations.

Vaccination figures are presented by date of vaccination as recorded on the National Immunisation Management Service (NIMS) database. Vaccination counts and populations by Lower Tier Local Authority (LTLA) are provided by Public Health England (PHE).
