What is the Keyworking Service

Keyworkers are here to help children and young people aged 5-25 who have a diagnosis of autism or a learning disability. 	Keyworkers will help you understand all of the people who are involved in your care, so you know what they are doing to help you. 	The keyworkers will help you to feel safe, happy, and heard.
The keyworkers will help you achieve your dreams and wishes by working with you and making steps easier to achieve them. 	The keyworkers will work with you, your family, and your professionals to make a care plan that puts you at the centre. 	The keyworkers are here to make your life easier and more enjoyable.
