

General Studies

Broaden your horizons with our wide variety of fascinating courses ranging from Architecture and History to Creative Writing and Psychology. Choose from a short 2 hour lecture right up to a full term's course.

All 2 hour lectures cost £12 but we are offering a **special rate** of £30 for 3 sessions booked for the same person at the same time. Enrolment is recommended to ensure your place, but if you wish to enrol on the day, please telephone the Customer Service Team on 0300 200 1044 in **advance** to check availability.

Acting & Drama

Do you have to talk to a large number of people for work or leisure? Learn basic acting skills to improve your confidence and look and feel relaxed in front of others.

Bridge

Learning Bridge is known to assist with maintaining an active brain as well as enhancing social interaction with other like-minded people. Courses are well structured with new aspects of Bridge introduced to build on what you have already learnt.

Well qualified and experienced tutors will work with you to make your learning experience enjoyable and rewarding. Some tutors encourage learners to become members of the English Bridge Union, enabling them to receive its teaching pack and work through its units over time. There is a cost to this, so please check when enrolling. The level for each course is indicated in the title.

Improvers - Year 1 is for those who have completed 3 terms of a beginners course.

Improvers - Year 2 is for those who have completed 3 terms of an improvers course.

Lipreading and Managing Hearing Loss

Do you need to ask people to repeat what they say, turn up the volume on the TV or radio or find it difficult to follow conversations in a group situation? Our Lipreading and Managing Hearing Loss will give you the tools to develop your lipreading skills and help you find out about equipment and services that may help you. Please refer to our **Supported Learning** section on page 133.

Neuro-Linguistic Programming

Unlock your full potential! NLP provides a range of models for understanding how people think, feel and behave. Discover how to develop a positive attitude, improve your focus and enhance your performance. Learn and practise a variety of techniques to raise your aspirations and achieve your goals.
