Published Admission Number (PAN) – This is the number of places that each school expects to offer. All PANs apply to admission at Reception at age 4 or to Year 3 at age 7. In the case of primary schools where there is an additional entry to Year 3 at age 7, that number does *not* include the children who will transfer from Year 2.

Important information regarding admission criteria

The information provided in this booklet serves as a *guide* to the admission criteria for academies and community, foundation, free, trust, voluntary aided and voluntary controlled schools. *It should not be regarded as definitive*. Please contact academies and foundation, free, trust and voluntary aided schools for detailed information about their admission criteria and the local authority for detailed information on community and voluntary controlled schools or visit: www.surreycc.gov.uk/admissions.

Starting school – Children reach statutory school age at the start of the term following their 5th birthday. Under current legislation all infant and primary schools provide for 4 year olds to be admitted into the reception class on a full/part-time basis in the September after their fourth birthday.

Applying for a place in Year 3

If your child is leaving Year 2 of an infant school in July 2019 you will need to apply for a Year 3 place at another school. The schools listed in the Year 3 section of this booklet are those which have an intake at Year 3. If you also want to apply for a place at a primary school which does not have an intake at Year 3, you will need to complete a separate in year application form for that school. For more information on which schools might have in year vacancies please contact Surrey Schools and Childcare Services on 0300 200 1004.

Split site schools – Where schools operate on more than one site, the school will be responsible for assigning pupils to each site after the allocation of school places and for the subsequent organisation and use of each site. Parents should not presume that an offer of a place at a school will ensure admission to a particular site.

KEY

Types of school

Some schools might change to academy status during the 2018/19 academic year. For up to date information on the type of each school please see the 'Directory of Surrey schools' at www.surreycc.gov.uk/schools.

A = Academy

C = Community school

VA = Voluntary Aided school

VC = Voluntary Controlled school

Admission criteria

LAC & PLAC = Looked after and previously looked after children

EHCP = Children with an Education, Health and Care Plan.

✳ Next to the school name indicates that the school will be taken into account when assessing each child's nearest school when considering admission to community and voluntary controlled schools.

📄 This symbol in the fourth column indicates that a separate supplementary information form may need to be completed. Where criteria numbers are listed, the supplementary information form only needs to be completed by parents applying under those criteria. Supplementary information forms are available at www.surreycc.gov.uk/admissions or from the school and must be returned directly to that school. The local authority application form must be completed in all cases.

Number offered: We show the number of pupils offered a place at each school for September 2018, based on the allocation date of 16 April 2018. In some instances the total number offered was more than the Published Admission Number. This is generally because additional places were offered to meet local demand.

* Next to the number offered indicates that the school intended to drop back to PAN for the 2018 intake.

Distance offered

Where a school was oversubscribed in 2018 we have included the distance (where appropriate) from which the last applicant was allocated. This has been included within the criterion under which the last applicant was offered a place. This data is relevant to the allocation date of 16 April 2018.

Lates

In some cases vacancies remained after the initial allocation to on time applicants and these were filled by applicants who had applied late.

Catchment area maps: where these apply, they can be viewed either on the school's website (for academy, foundation, trust and voluntary aided schools) or the Surrey County Council website (for community and voluntary controlled schools).

Admission criteria for community and voluntary controlled schools in Surrey

The admission criteria for the majority of Surrey's community and voluntary controlled schools are set out below. Where a community or voluntary controlled school's admission criteria are different, the criteria are listed separately after the list of schools. Some own admission authority schools may also follow Surrey's arrangements for community and voluntary controlled schools.

1. Looked after and previously looked after children
2. Exceptional social/medical need
3. Children who will have a sibling at the school or at an infant/junior school which operates shared sibling priority, at the time of the child's admission
4. Children for whom the school is the nearest to their home address as measured by straight line - the nearest school will be the school closest to the home address that has a Published Admission Number to admit pupils of the appropriate age range and which admits local children. **The nearest school may be either inside or outside the county boundary.**
5. Any other children, prioritised according to the distance they live from the school.

Unless otherwise stated, distance will be used when any category is oversubscribed and will be measured by straight line from the address point of the pupil's home to the nearest official school gate for pupils to use. Where two or more children share priority for a place, Surrey County Council will use random allocation to determine which child should be given priority.

Sibling priority for community and voluntary controlled schools which have a feeder and sibling link - Reception

At the initial allocation, when a parent is applying for a Reception place at a community / voluntary controlled infant school that has both a feeder and sibling link to a junior school and that child has a sibling currently attending Year 2 of the infant school but who will have left by the time the younger child starts, the Reception applicant will be considered under the sibling criterion as part of the initial allocation. This is because, due to the feeder link, they will still be expected to have a sibling at the linked junior school at the time of admission. The community and voluntary controlled schools in Surrey Heath for which this will apply are as follows:

- Bagshot Infant and Connaught Junior (Academy)

Adjoining/shared sites - for the purpose of applying sibling criteria the following schools in Surrey Heath will be considered to operate shared sibling priority:

- Bagshot Infant and Connaught Junior (Academy)
