ON 25 SEPTEMBER 2019 SURREY COUNTY COUNCIL MADE the above mentioned Temporary Order, under Section 14(1) of the Road Traffic Regulation Act 1984. The effect of which is to temporarily prohibit all vehicles from proceeding along that length of Lyndhurst Avenue (D6251), Sunbury-On-Thames as extends from the southern property boundary of No. 35 Lyndhurst Avenue to the northern property boundary of No. 57 Lyndhurst Avenue. Access for pedestrians and emergency service vehicles will be maintained at all times. During certain phases of the works, vehicular access for residents may be restricted. When this is the case such restriction will apply for no more than eight hours within any 24-hour period. Any vehicle found to be obstructing the highway during these works will be removed to a suitable location outside the limits of the works after all reasonable methods have been undertaken to identify and contact the vehicle's owner.

The Order is required to facilitate carriageway surfacing and patching works, on behalf of Surrey County Council and will come into force on 10 October 2019, for a period of 18 months. The Order will only be operative while the relevant signs are displayed and it is anticipated that the works will be completed within one day during the period of operation of the Temporary Order. The alternative route for traffic will be via Croysdale Avenue, Green Street and Lyndhurst Avenue and vice versa.
