ON 11 DECEMBER 2018 SURREY COUNTY COUNCIL MADE the above mentioned Temporary Order under Section 14(1) of the Road Traffic Regulation Act 1984 (“the Act”). The effect of which is to temporarily prohibit all vehicles from entering or proceeding along that length of Miles Lane (C86) South Godstone, as extends from its junction with A22 Eastbourne Road to a point 70 metres west of its junction with New Road.

The Order is required to facilitate carriageway surfacing on behalf of Surrey County Council. These works are anticipated to be carried out within one day, (between 8am and 6pm on 29 December 2018), during the 18 month period of operation of this Order, which will come into operation on 29 December 2018. Advanced warning signs will be displayed and the temporary closure will only operate when the relevant traffic signs are displayed. Access for pedestrians will be maintained at all times, as will access for emergency service vehicles in an emergency situation only. Vehicular access for residents will be maintained only when safe to do so. The Council are satisfied that, in accordance with Section 3(2) of the Act, vehicular access to and from premises within the length of road above, or accessible only therefrom may be restricted in order to avoid danger to persons or other traffic using the road and/or preventing damage to the road. Any vehicle found to be obstructing the highway during these works will be removed to outside the limits of the works after all reasonable methods have been undertaken to identify and contact the vehicle’s owner.

The alternative route for traffic will be via A22 Eastbourne Road, A22 Godstone By-Pass, A25 Oxted Road, Jackass Lane, Tandridge Lane and New Road, or this route in reverse.

Date: 12 December 2018
