This Order, which will commence on 15 February 2023 for a period of 6 months is required to facilitate water mains replacement works to be completed by or on behalf of SES Water. These works are anticipated to be completed over a period of approximately 7 weeks between the hours of 8am and 5pm. Advanced warning signs will be displayed and the temporary closure, which is anticipated to be in operation 24 hours per day, will only operate when the relevant traffic signs are displayed. Due to the nature of the works, there will be no access through the road closure and footpath whilst works are in progress and all traffic will be required to use appropriate signed diversion routes. The Council are satisfied that, in accordance with Section 3(2)(a) and 3(2)(b) of the Act, vehicular access to and from premises within the length of road above, or accessible only therefrom, may be restricted in order to avoid danger to persons or other traffic using the road and/or for preventing the likelihood of any such danger arising.
