Guide to parish registers held at Surrey History Centre

Most of our Surrey Church of England parish registers 1538 to 1987 (baptisms to 1917, marriages to 1937 and burials to 1987) are available to search and view online on Ancestry.co.uk

This guide is laid out as follows:

OR This entry gives the dates of the original registers deposited and the location code shows where they may be seen. NB Originals are not produced where a microfilm copy exists. IF NO DATES ARE GIVEN THE REGISTERS ARE AT THE CHURCH.

MF Microfilm or microfiche is available for the dates shown. The location codes show where the film or fiche is held.

TRS A transcript of the registers (for dates shown) is available at Surrey History Centre. Many transcripts are now on microfiche.

PR The registers for the dates shown have been printed and published. See notes for volume series and number. Available at Surrey History Centre, for reference only. (SRS: Surrey Record Society, SPRS: Surrey Parish Register Society)

NOTES This shows any gaps in the entries in the registers and other relevant information known.
