About your application

If/when a seat becomes available on existing transport the Transport Co-Ordination Centre will contact you with regard to the transport start date and payment required.

Concessionary seats are sold on the presumption that your child will be travelling every day. You may apply for a concessionary seat for a part of the week. However, these are only offered once all applications for 5 days per week have been considered. If you wish to be considered for a part of the week, please indicate the journeys on the reverse of this form.

Please read and sign below

I confirm that I have read the criteria for concessionary seats. This can be found on the Surrey County Council website (www.surreycc.gov.uk/schools-and-learning/schools/transport/concessionary-seat)

I confirm that I wish to be considered for a concessionary (paying) seat for my child. I understand that payment for concessionary seats is due at the beginning of each term.

In accepting this concessionary seat for my child I hereby undertake to make this payment promptly, and understand that should I fail to do so the seat will be withdrawn and this undertaking could be produced as evidence in any legal action, which the Council may decide to take.

I understand that the concessionary seat can be withdrawn at any time and at short notice should the seat be required for an entitled pupil. (Under these circumstances an appropriate refund will be made).
