Advanced warning signs will be displayed and the temporary closure will only operate when the relevant traffic signs are displayed. Access to premises within the affected length of School Road and access for pedestrians and pedal cyclists will be maintained at all times. Access for emergency vehicles will be maintained via the signed diversion route. Access for buses may be affected. Any vehicle found to be obstructing the highways during these works will be removed to a suitable location outside the limits of the works after all reasonable methods have been undertaken to identify and contact the vehicle’s owner.
