ON 5 JUNE 2019 SURREY COUNTY COUNCIL MADE the above mentioned Temporary Traffic Order under Section 14(1) of the Road Traffic Regulation Act 1984 ("the Act"), the effect of which will be to temporarily prohibit vehicles from entering or proceeding in that length of Bury Fields (D4016) Guildford which extends from its junction with Bury Street to its junction with Porridge Pot Alley and any parts thereof. This Order is required to enable Thames Water to carry out reinstatement works. These works are anticipated to be completed within 1 day, between 9pm and 6am, during the 6 month period of operation of this Order which will commence on 17 June 2019. Advanced warning signs will be displayed and the temporary closure will only operate when the relevant traffic signs are displayed. Access for pedestrians and dismounted cyclists will be maintained at all times. During working hours, access for emergency vehicles and residents will be maintained via the signed diversion route. The Council are satisfied that, in accordance with Section 3(2)(a) and 3(2)(b) of the Act, vehicular access to and from premises within the length of road above, or accessible only therefrom may be restricted in order to avoid danger to persons or other traffic using the road and/or for preventing the likelihood of any such danger arising. **Alternative Route** – Millmead Terrace and Bury Street.
