

What SFRS means to me

Create an acrostic poem about Surrey Fire and Rescue Service (SFRS). An acrostic poem is special because each line of the poem starts with a letter of a chosen word or phrase. For this poem, that phrase is Surrey Fire Rescue, as you can see written down the left-hand side of the page. Your task is to create a poem using those letters as the starting point for each line. You might have one word per line, or a whole sentence, or a mixture – it's up to you! But make sure your poem is about the fire service. There is a mini example here to inspire you.
