

**Autumn Term 2022  
FEET Estimate Claim Form settings/childminders Funded  
Early Education for 2 year olds**

Setting name:	
Funded Early Education URN:	

**Example**

<b>Total number of children claiming FEET hours</b>	<b>Number of FEET hours estimated for the term for all 2-year olds</b>
<b>Example</b> 5 x children eligible for FEET funding, claiming 15 hours per week  <b><u>5</u></b>	<b>Example</b> 5 x 210 (2 year olds attending 210 hours each) = 1050 hours  <b><u>1050</u></b>

In this example the estimate payment will be calculated as follows:  
2 year old estimate payment: 1,050 hours x £6.13 – 60% = £3,861.90

**Your Estimates**

To avoid being overpaid, please base this estimate on the total amount of funded hours required for you to claim, for each child.

<b>Total number of children claiming FEET hours</b>	<b>Number of FEET hours estimated for the term for all 2-year olds</b>

**Declaration**

I confirm that I am only claiming FEET funding for children where the parent/carer has shown me a letter from Surrey County Council confirming their eligibility, and that to the best of my knowledge, these children are not claiming more than their maximum hours for funded early education at another setting.
