The Surrey County Council

Various Roads in Headley, Tadworth and Betchworth

Temporary Prohibition of Traffic Order 2023

On 15 March 2023 Surrey County Council made the above-mentioned Temporary Order under Section 14(1) of the Road Traffic Regulation Act 1984, the effect of which will be to prohibit vehicles from entering or proceeding in - **a)** The entire length of B2032 Pebble Hill Road and B2032 Station Road, Betchworth and Tadworth. **b)** That length of B2032 Dorking Road, Tadworth that extends from its junction with B2032 Pebble Hill Road, to the southern side of its junction with the access road to "Pfizer UK Limited – Walton Oaks". **c)** That length of B2033 Headley Common Road, Headley that extends from its junction with B2032 Pebble Hill Road and B2032 Dorking Road, to the eastern side of its junction with D1047 Pebble Close. This Traffic Order is required to enable Surrey County Council to safely undertake a highway improvement scheme at the junction of Pebble Hill Road and B2032 Dorking Road with B2033 Headley Common Road; to include but not limited to: - re-arrangement of the junction alignment, associated signage tasks, installation of a new traffic island, full depth carriageway construction and/or carriageway resurfacing and/or maintenance works. These works are anticipated to be carried out in sections within six weeks of the 18 month period of operation of this Temporary Order that commences on 20 March 2023. Advanced warning signs will be displayed and the temporary closures which are anticipated to be required for 24 hours each day during certain phases of the works, will only operate when the relevant traffic signs are displayed.

Access for pedestrians and, dismounted cyclists and equestrians will be maintained at all times. No sole access to any property will be affected. Any vehicle found to be obstructing the highway during these works will be removed to a suitable location outside the limits of the works after all reasonable methods have been undertaken to identify and contact the vehicle's owner. Access for emergency services, residents and businesses during each section of works will be maintained via the vehicular diversion routes described below, to the point of works in: - **a)** B2032 Pebble Hill Road, Tadworth that extends from the centre of the junction with Headley Common Road, south-west for approximately 330m. **b)** B2032 Dorking Road, Tadworth that extends from the centre of the junction with Headley Common Road north-east for approximately 70m. **c)** B2033 Headley Common Road, Headley that extends from its junction with B2032 Pebble Hill Road and B2032 Dorking Road, to its junction with D1047 Pebble Close.

Highway improvement scheme proposed at the junction of B2032 Pebble Hill Road B2032, Dorking Road and B2033 Headley Common Road in Pebble Coombe. 1. Temporary road closure on the existing Pebble Hill Road to Headley Common Road (and vice versa) 'slip road' is required for the duration of the anticipated construction phase for use as a site compound, welfare facilities, material storage etc, and to also safely and efficiently complete the proposed civils works associated with narrowing the slip road from 2-way to 1 way, plus other junction re-arrangement tasks.

1A Proposed northbound diversion route for Pebble Hill Road - motorists intending on turning left onto Headley Common Road westbound: - Continue northbound on B2032 Pebble Hill Road beyond commencement of proposed closure; proceed onto B2032 Dorking Road northbound as far as the roundabout junction with the D318/'Pfizer' complex, at the roundabout make a u-turn/take the second exit at the roundabout to proceed southbound along B2032 Dorking Road and turn right at the junction with B2033 Headley Common Road.

1B Proposed eastbound diversion route for Headley Common Road - motorists intending on turning right onto Pebble Hill Road southbound: - Turn left onto B2032 Dorking Road northbound as far as the roundabout junction with the D318/'Pfizer' complex, at the roundabout make a u-turn/take the second exit at the roundabout to proceed southbound along B2032 Dorking Road and B2032 Pebble Hill Road southbound.

Highway improvement scheme proposed at the junction of B2032 Pebble Hill Road B2032, Dorking Road and B2033 Headley Common Road in Pebble Coombe. 2. The

temporary road closure of the entire Headley Common Road bell mouth at the junction with Pebble Hill Road/Dorking Road is anticipated to be required for a duration of 2 weeks (during Easter school holidays) in order to safely and efficiently complete the proposed civils works associated with re-arranging the junction alignment, complete associated signage tasks, install a new traffic island, complete the full depth carriageway construction, plus night-time re-surfacing tasks, etc.

2A Proposed northbound diversion route for Pebble Hill Road - motorists intending on turning left onto Headley Common Road westbound: - Continue northbound on the B2032 Pebble Hill Road beyond commencement of proposed closure; proceed onto B2032 Dorking Road northbound as far as the roundabout junction with the D318/'Pfizer' complex; at the roundabout make a u-turn/take the second exit at the roundabout to proceed southbound along B2032 Dorking Road, proceed onto Pebble Hill Road southbound and then continue to follow the diversion route as per diversion route (2B) detailed below.

2B Proposed southbound diversion route for Dorking Road - motorists intending on turning right onto Headley Common Road westbound: - Proceed southbound on B2032 Pebble Hill Road, continue onto B2032 Station Road southbound, turn right/take the third exit at the roundabout onto A25 Reigate Road westbound, turn right/take the third exit at the roundabout (Deepdene Roundabout) onto A24 Deepdene Avenue northbound, continue northbound onto A24 London Road, continue northbound onto A24 Mickleham By-Pass, continue northbound onto A24 Dorking Road, turn right/take the third exit at the roundabout (Givens Grove Roundabout) onto A24 Leatherhead By-Pass Road eastbound, turn right/take the third exit at the roundabout onto B2033 Reigate Road eastbound, continue eastbound onto B2033 Mill Way and B2033 Leech Lane, turn right onto B2033 Headley Common Road southbound and proceed to the western end of the proposed closure extents.

Proposed eastbound diversion route for Headley Common Road - motorists intending on turning right or left onto Pebble Hill Road or Dorking Road respectively (diversion route is the same as above, but in the opposite direction): - Proceed westbound on B2033 Headley Common Road, turn left onto B2033 Leech Lane westbound, continue westbound on B2033 Mill Way, continue westbound on B2033 Reigate Road, turn left/take the first exit at the roundabout onto A24 Leatherhead By-Pass Road westbound, turn left/take the first exit at the roundabout (Givens Grove roundabout) onto A24 Dorking Road southbound, continue southbound onto A24 Mickleham By-Pass, continue southbound onto A24 London Road and A24 Deepdene Avenue, turn left/take the first exit at the roundabout (Deepdene Roundabout) onto A25 Reigate Road eastbound, turn left/take the first exit at the roundabout onto B2032 Station Road northbound, continue northbound onto B2032 Pebble Hill Road northbound and proceed to the eastern end of the proposed closure extents.

Highway improvement scheme proposed at the junction of B2032 Pebble Hill Road B2032, Dorking Road and B2033 Headley Common Road in Pebble Coombe, plus additional carriageway re-surfacing tasks on Pebble Hill Road south of the junction with Headley Common Road. 3. The temporary road closure of the entire Headley Common Road bell mouth at the junction with Pebble Hill Road/Dorking Road, plus the length of Pebble Hill Road and Dorking Road is anticipated to be required for a duration of 3 weeks (after the Easter school holidays) in order to safely and efficiently complete the proposed carriageway re-surfacing tasks (overnight only).

3A Proposed northbound diversion route for Pebble Hill Road - motorists intending on turning left onto Headley Common Road westbound (clockwise): - Proceed southbound on B2032 Pebble Hill Road, continue onto B2032 Station Road southbound, turn right/take the third exit at the roundabout onto A25 Reigate Road westbound, turn right/take the third exit at the roundabout (Deepdene Roundabout) onto A24 Deepdene Avenue northbound, continue northbound onto A24 London Road, A24 Mickleham By-Pass and A24 Dorking Road, turn right/take the third exit at the roundabout (Givens Grove Roundabout) onto the A24 Leatherhead By-pass Road eastbound, turn right/take the third exit at the roundabout onto B2033 Reigate Road, continue eastbound onto B2033 Mill Way and B2033 Leech Lane, turn right onto B2033 Headley Common Road southbound and proceed to the western end of closure.

Note – The proposed length of Pebble Hill Road and Station Road under 'soft' road closure between the roundabout junction with A25 Reigate Road and the southern-most extent of the 'hard' closure/works area on the B2032 Pebble Hill Road - is to be open for access only, all other vehicles to be diverted at the roundabout junction with A25 Reigate Road.

Proposed eastbound diversion route for Headley Common Road - motorists intending on turning right onto Pebble Hill Road southbound (anti-clockwise) (Diversion route is the same as above, but in the opposite direction): - Proceed westbound on B2033 Headley Common Road, turn left onto B2033 Leech Lane westbound, continue westbound on B2033 Mill Way and B2033 Reigate Road, turn left/take the first exit at the roundabout onto A24 Leatherhead By-Pass Road westbound, turn left/take the first exit at the roundabout (Givens Grove Roundabout) onto A24 Dorking Road southbound, continue southbound onto the A24 Mickleham By-Pass, A24 London Road and A24 Deepdene Avenue, turn left/take the first exit at the roundabout (Deepdene Roundabout) onto A25 Reigate Road eastbound, turn left/take the first exit at the roundabout onto B2032 Station Road northbound, continue northbound onto B2032 Pebble Hill Road and proceed to the southern end of the closure.

3B Proposed southbound diversion route (clockwise) for Dorking Road motorists intending on proceeding southbound onto Pebble Hill Road: - Proceed northbound on B2032 Dorking Road, turn right/take the fourth exit at the roundabout (Tadworth Roundabout) onto A217 Brighton Road southbound, continue/take the second exit at the roundabout (M25 J8) onto A217 Reigate Hill southbound, continue southbound onto A217 London Road, continue/turn left onto A25 Castlefield Road eastbound, turn right onto A25 Church Street southbound; continue westbound onto A25 High Street, A25 West Street, A25 Buckland Road and A25 Reigate Road, turn right/take the third exit at the roundabout onto B2032 Station Road northbound; continue northbound onto B2032 Pebble Hill Road northbound and proceed to the southern end of the closure.

Proposed northbound diversion route (anti-clockwise) for Pebble Hill Road motorists intending on proceeding northbound onto Dorking Road: - Proceed southbound on B2032 Pebble Hill Road, continue onto B2032 Station Road southbound, turn left/take the first exit at the roundabout onto A25 Reigate Road eastbound, continue eastbound onto A25 Buckland Road and A25 West Street, turn left onto A25 London Road, continue northbound onto A217 London Road, continue northbound onto A217 Reigate Hill, turn right/take the third exit at the roundabout (M25 J8) onto the A217 Brighton Road northbound, turn left onto B290 Mill Road westbound; turn left onto B2032 Dorking Road southbound and proceed to the northern end of the closure.

Note – The proposed length of Dorking Road under 'soft' road closure between the roundabout junction with the D318/'Pfizer' complex and the northern-most extent of the 'hard' closure/works area on the B2032 Dorking Road, is to be open for access only, all other vehicles to be diverted via u-turn at the roundabout junction with the D318/'Pfizer' complex. - The proposed length of Pebble Hill Road under 'soft' road closure between the roundabout junction with the A25 Reigate Road and the southern-most extent of the 'hard' closure/works area on the B2032 Pebble Hill Road is to be open for access only, all other vehicles to be diverted at the roundabout junction with the A25 Reigate Road.

3C Proposed southbound diversion route (clockwise) for Dorking Road motorists intending on turning right onto Headley Common Road: - Proceed northbound on B2032 Dorking Road, turn right/take the fourth exit at the roundabout (Tadworth Roundabout) onto A217 Brighton Road southbound, continue/take the second exit at the roundabout (M25 J8) onto A217 Reigate Hill southbound, continue southbound onto A217 London Road, continue/turn left onto A25 Castlefield Road eastbound, turn right onto A25 Church Street southbound, continue westbound onto A25 High Street; A25 West Street; A25 Buckland Road and A25 Reigate Road, turn right/take the third exit at the roundabout (Deepdene Roundabout) onto A24 Deepdene Avenue northbound, continue northbound onto A24 London Road, A24 Mickleham By-Pass and A24 Dorking Road, turn right/take the third exit at the roundabout (Givens Grove Roundabout) onto A24 Leatherhead By-Pass Road eastbound, turn right/take the third exit at the roundabout onto B2033 Reigate Road eastbound, continue eastbound onto

B2033 Mill Way and B2033 Leech Lane, turn right onto B2033 Headley Common Road southbound and proceed to the western end of the closure.

Proposed eastbound diversion route (anti-clockwise) for Headley Common Road motorists intending on turning left onto Dorking Road northbound: - Proceed westbound on B2033 Headley Common Road, turn left onto B2033 Leech Lane westbound, continue westbound on the B2033 Mill Way and B2033 Reigate Road, turn left/take the first exit at the roundabout onto A24 Leatherhead By-Pass Road westbound, turn left/take the first exit at the roundabout (Givens Grove Roundabout) onto A24 Dorking Road southbound, continue southbound onto A24 Mickleham By-Pass, A24 London Road and A24 Deepdene Avenue, turn left/take the first exit at the roundabout (Deepdene Roundabout) onto A25 Reigate Road eastbound, continue eastbound onto A25 Buckland Road and A25 West Street, turn left onto A25 London Road, continue northbound onto A217 London Road, continue northbound onto A217 Reigate Hill, turn right/take the third exit at the roundabout (M25 J8) onto A217 Brighton Road northbound, turn left onto B290 Mill Road westbound, turn left onto B2032 Dorking Road southbound and proceed to the northern end of the closure.

Note – The proposed length of Dorking Road under 'soft' road closure between the roundabout junction with the D318/'Pfizer' complex and the northern-most extent of the 'hard' closure/works area on the B2032 Dorking Road is to be open for access only, all other vehicles to be diverted via u-turn at the roundabout junction with the D318/'Pfizer' complex.
