Published Admission Number (PAN)

This is the number of places that each school expects to offer. All PANs apply to admission at Reception at age 4 or to Year 3 at age 7. In the case of primary schools where there is an additional entry to Year 3 at age 7, that number does **not** include the children who will transfer from Year 2.

Important information regarding admission criteria

The information provided in this booklet serves as a **guide** to the admission criteria for academies and community, foundation, free, trust, voluntary aided and voluntary controlled schools. **It should not be regarded as definitive.** Please contact academies and foundation, free, trust and voluntary aided schools for detailed information about their admission criteria and the local authority for detailed information on community and voluntary controlled schools or visit our admissions webpages.

Starting school

Children reach statutory school age at the start of the term following their 5th birthday. Under current legislation all infant and primary schools provide for 4 year olds to be admitted into the reception class on a full/part-time basis in the September after their fourth birthday.

Applying for a place in Year 3

If your child is leaving Year 2 of an infant school in July 2024 you will need to apply for a Year 3 place at another school. The schools listed in the Year 3 section of this booklet are those which have an intake at Year 3. If you also want to apply for a place at a primary school which does not have an intake at Year 3, you will need to complete a separate in year application form

for that school. For more information on which schools might have in year vacancies please contact Surrey Schools and Childcare Services on 0300 200 1004.

Split site schools

Where schools operate on more than one site, the school will be responsible for assigning pupils to each site after the allocation of school places and for the subsequent organisation and use of each site. Parents should not presume that an offer of a place at a school will ensure admission to a particular site.

Type of school

All Surrey infant, junior and primary schools are mixed gender and will accommodate boys and girls.

Some schools might change to academy status during the 2023/24 academic year. For up to date information on the type of each school please see the 'Directory of Surrey schools' at www.surreycc.gov.uk/schools

Key

A = Academy

C = Community school

F = Foundation school

VA = Voluntary Aided school

PAN = Published Admissions Number – this is the number of places that each school expects to offer

LAC and PLAC = Looked after and previously looked after children (including children adopted from state care outside England)

EHCP = Children with an Education, Health and Care Plan

Column 4 indicates if a separate supplementary information form may need to be completed. Where criteria numbers are listed, the supplementary information form only needs to be completed by parents applying under those criteria. Supplementary information forms are available on the [schools directory page of our website](#) or from the school and must be returned directly to the return address on the form. The local authority application form must be completed in all cases.

Number offered 2023/24

We show the number of pupils offered a place at each school for September 2023 based on the allocation date of 17 April 2023. In some instances, the total number offered was more than the Published Admission Number (PAN). This is generally because additional places were offered to meet local demand.

Distance offered

Where a school was oversubscribed in 2023, we have included the distance (where appropriate) from which the last applicant was allocated. This has been included for the criterion under which the last applicant was offered a place. This data is relevant to the allocation date of 17 April 2023.

Lates

In some cases, vacancies remained after the initial allocation to on time applicants and these were filled by applicants who had applied late.

Catchment area maps

Where these apply, they can be viewed either on the school's website (for academy, foundation, trust and voluntary aided schools) or the Surrey County Council website (for community and voluntary controlled schools).
