SURREY COUNTY COUNCIL PROPOSE TO MAKE the above mentioned Temporary Traffic Order under Section 14(1) of the Road Traffic Regulation Act 1984, the effect of which will be to temporarily prohibit all traffic (including pedestrians, equestrians and cyclists) from entering or proceeding in that length of Station Lane (C32) Enton which comprises the level crossing and 20m either side of the crossing. This Order is required because works are being or are proposed to be executed on or near the said road, namely repair works and other associated works at the level crossing, to be carried out by Network Rail. These works are anticipated to be carried out between 11.30pm and 5.30am during the 18 month period of operation of this Order which will commence on 21 September 2019. It is anticipated that the works will be completed within 3 nights. Advanced warning signs will be displayed and the temporary closure, which is anticipated to be in force 24 hours per day, will only operate when the relevant traffic signs are displayed. Due to the nature of the works, access for emergency vehicles, residents, businesses, cyclists and equestrians will be maintained via the signed diversion route. Pedestrian access will be maintained by Shuttle Bus or Taxis. No sole means of access to any premises will be affected. **Alternative Route for vehicles** – Hambledon Road, Rock Hill, Malthouse Lane, Lane End, Petworth Road and Church Road or vice versa. **Alternative Route for equestrians and cyclists** – Station Lane, Water Lane, Public Bridleway 151 (Witley), Petworth Road, Rake Lane and Station Lane or vice versa.

DATED 6 September 2019

Authorising Officer: Richard Bolton
Local Highway Services Group Manager
