What happens next?

Your application will be assessed by a Local Highways Officer from Surrey County Council who will determine the suitability of the proposed location. If we have to propose an alternative location, we will liaise with you on this.

Once the location has been agreed and the agreement signed off, you will need to pay the total amount, before we can arrange for the bin to be installed. We will keep you updated as to the expected date that the bin will be installed, but this usually takes place within 4-6 weeks of payment.

We aim to respond to all enquiries and applications within 28 days. More information on our timescales can be found online at: <https://www.surreycc.gov.uk/highwayscharter>
