Important information regarding admission criteria

The information provided in this booklet serves as a **guide** to the admission criteria for all Surrey schools. **It should not be regarded as definitive.** Please contact academies and foundation, free and voluntary aided schools for detailed information about their admission criteria and the local authority for detailed information on community schools or visit our admissions webpages.

Catchment area maps

Where these apply, they can be viewed on the school's website.

Contact details

Surrey Schools and Childcare Service Tel: 0300 200 1004

Website: surreycc.gov.uk/admissions

Types of school

Surrey secondary schools are mixed gender and will accommodate boys and girls, apart from Glyn School (single sex boys' school) and Rosebery (single sex girls' school).

Some schools might change to academy status during the 2023/24 academic year. For up to date information on the type of each school please see the 'Directory of Surrey schools' at surreycc.gov.uk/schools

Key

A = Academy

C = Community school

F = Foundation school

Fr = Free school

VA = Voluntary Aided school

PAN = Published Admissions Number – this is the number of places that each school expects to offer

LAC and PLAC = Looked after and previously looked after children (including children adopted from state care outside England)

EHCP = Children with an Education, Health and Care Plan

Column 4 indicates if a separate supplementary information form may need to be completed. Where criteria numbers are listed, the supplementary information form only needs to be completed by parents applying under those criteria. Supplementary information forms are available on the [school admissions page of our website](#) or from the school and must be returned directly to the address on the form. The local authority application form must be completed in all cases.

Number offered 2023/24

We show the number of pupils offered a place at each school for September 2023. In some instances, the total number offered was more than the Published Admission Number (PAN). This is generally because additional places were offered to meet local demand.

Where a school was oversubscribed in 2023, we have included the distance (where appropriate) from which the last applicant was allocated. This has been included for the criterion under which the last applicant was offered a place. In some cases, vacancies remained after the initial allocation to on time applicants and these were filled by applicants who had applied late. This data is relevant to the allocation date of 1 March 2023.

Year 10 admissions

List of colleges and schools in areas surrounding Surrey that provide education from year 10

UTCs (University Technical Colleges) and studio schools admit children at the beginning of Year 10. UTCs are set up by universities and businesses and specialise in one or two technical subjects. In Years 10 and 11 they offer a similar GCSE curriculum to a typical secondary school, including English and Maths, as well as their specialist subject(s). You can find out more about UTCs on the [UTC college website](#).

Studio schools are similar to UTCs in that they have employer involvement in the curriculum and focus on developing skills needed for employment, involving personal coaching and work experience. They have a similar curriculum to a typical secondary school.

Some other schools also only provide education from Year 10 and these are often schools which specialise in performing arts. These are listed where they are within a reasonable travelling distance of Surrey.

More information on the number of places available at each school, the admissions policy and how to apply can be found from each school's website.
