This Order is required to facilitate drainage improvement works by or on behalf of Surrey County Council. These works are anticipated to be completed as soon as possible between the hours of 9am and 5pm within the 18 month period of operation of this Order which will commence on 05 April 2023. Advanced warning signs will be displayed and the temporary closure, which is anticipated to be in operation 24 hours per day, will only operate when the relevant traffic signs are displayed. Access for emergency service vehicles and pedestrians will be maintained. Due to the nature of the works, it will not be possible to maintain access through the closure for residents and businesses and all vehicular traffic will be required to use the signed diversion route. The Council are satisfied that, in accordance with Section 3(2)(a) and 3(2)(b) of the Act, vehicular access to and from premises within the length of road above, or accessible only therefrom, may be restricted in order to avoid danger to persons or other traffic using the road and/or for preventing the likelihood of any such danger arising.
