ON 28 AUGUST 2019 SURREY COUNTY COUNCIL MADE the above mentioned Temporary Order under Section 14(1) of the Road Traffic Regulation Act 1984, the effect of which will be that no person shall proceed by foot or by any other means in that length of Trumps Mill Lane (D7022/FP60) Virginia Water as extends between its junctions with Bridge Lane (C127) and Sandhills Lane (B389) Virginia Water. The alternative route for pedestrians and any person proceeding by other means will be via Bridge Lane (C127), Trumps Green Road (C10) and Sandhills Lane (B389) or this route in reverse.

This Temporary Traffic Order is required because of the likelihood of danger to the public or of serious damage to the road/footpath due to the safety of the footbridge and for the necessary remedial works on the footbridge. The Order will commence on 2 September 2019 for a period of 17 months. Advanced warning signs will be displayed and the temporary closure will only operate when the relevant traffic signs are displayed. Access will be maintained for the emergency services only. No sole means of access to any premises will be affected.
