Advanced warning signs will be displayed, and the temporary closure will only operate when the relevant traffic signs are displayed.

Any vehicle found to be obstructing the highway during these works will be removed to outside the limits of the works after all reasonable methods have been undertaken to identify and contact the vehicle's owner. Access for pedestrians and dismounted cyclists will be maintained at all times. Access for the emergency services will be maintained at all times. Vehicular access for residents and businesses will be maintained only when safe to do so, if necessary, via the diversion route.

During certain phases of the works, vehicular access to premises may be restricted, when this is the case such restriction of access will apply for no more than eight hours within any 24-hour period.
