

The Surrey County Council Learning Disability and Autism Engagement Team

The team's role is to share information, connect people and support the work of The Learning Disability Partnership Board, our Local Valuing People Groups and The Surrey Autism Partnership Board.

Imogen Osbourne,
Engagement and
Partnership Officer

My role as an Engagement and Partnership officer includes engaging with groups and individuals across Surrey to connect people together and encourage partnership working.

I am involved with our Local Valuing People Groups, the Learning Disability Partnership Board and the Autism Partnership Board.

Have you got something to share with us ?

Amy Jackson
Adults Senior Business
Support Assistant.

My role includes supporting the Learning Disability Partnership Board and the Local Valuing People Groups by sending meeting agendas and minutes.

I also keep members updated by sending out specific learning disability and/or autism information which may be useful.

We want to hear from you

Are you planning an event?

Have you got some news to share?

Have you got an idea for a new project you want others to join in with?

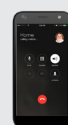

We can make sure people know about all the great things you're doing.

Digital Assistant

This person's role includes making sure that the website for The Learning Disability Partnership Board and Autism Partnership Board is up to date and accessible to use.

They will be adding podcasts and and more videos - www.surreypb.org.uk
