

## People and communities checklist

- This checklist must be used alongside the Early Years Outcomes and Development Matters in the Early Years Foundation Stage
- Consider the range of ages and stages of all the children in your setting
- Practitioners need to interact by talking, showing, introducing, explaining, encouraging, challenging and motivating the children.

Date: \_\_\_\_\_

Does your personal practice and provision...	Yes/No	Comments/what can we do next?
Provide opportunities to help children feel part of a group?		
Celebrate similarities and differences between children and adults?		
Help children to gain an understanding of their own and their family's experiences, past and present?		
Celebrate family and community events?		
Find reasons for children to feel good about themselves?		
Provide activities that help children understand their family and community are made up of different people with their own traditions?		
Help children recognise and respect that other children enjoy different things?		
Give children regular opportunities to extend their experiences beyond what is familiar to them in the community?		
Invite people from the community into the nursery to talk to children about what they do?		
Provide opportunities for children to use their imagination to act out and make sense of their experiences?		
Provide resources, books and displays that reflect the multicultural nature of society?		
Celebrate festivals that have relevance to the children in your setting?
