1. I/We agree to indemnify you in respect of any damage that is caused in the course of a journey of which you have been notified under the Road Vehicles (Authorisation of Special Types) (General) Order 2003 (which is referred to below as "the 2003 Order").
2. This indemnity relates to any journey made during the period of 1 January 2019 and 31 December 2019 inclusive. Providing:
 - a) A separate advance movement notification shall be given to the Council for each particular journey
 - b) The advance movement notification, whether given by fax, email or post must contain all the details prescribed in Schedule 9, Part 1 of The Road Vehicles (Authorisation of Special Types) (General) Order 2003 – [SI 2003 No.1998] and shall be served within the time limits specified in the Order.
3. Except as stated in paragraph 4, the damage in respect of which this indemnity is given is limited to any damage caused to any road or bridge for the maintenance of which you are responsible.
4. This indemnity also extends to any damage caused to any other road or bridge that is used in the course of any journey to which the indemnity relates, in any case where a separate indemnity required by the 2003 Order has not been given to, or received by, the authority, body or person ("third party") which is responsible for the maintenance of that other road or bridge.
5. The damage covered by this indemnity is limited to damage caused by:
 - a) the construction of any vehicle used;
 - b) the weight transmitted to the road surface by any vehicle used;
 - c) the dimensions, distribution or adjustment of the load carried on any vehicle used in the carriage of an abnormal indivisible load;
 - d) any vehicle other than the vehicle used in any case where that damage results from the vehicle used (but excluding any damage caused, or contributed to, by the negligence of the driver of the other vehicle).
6. This indemnity is enforceable by you, to the extent of the damage specified in paragraph 3.
7. This indemnity is enforceable by any third party referred to in paragraph 4, in its own right, to the extent of any damage caused to any road or bridge for the maintenance of which it is responsible (but only if it has not already recovered payment in respect of that damage by virtue of a claim made by it under the equivalent provision in another indemnity given under the 2003 Order).
8. A claim in respect of damage covered by this indemnity will only be entertained if the claim:
 - a) states the occasion and place of the damage; and
 - b) is made before the end of the period of 12 months starting with the date on which the vehicle was last used in the course of the journey during which the damage occurred.
9. I/We confirm that our Third Party Property Damage Limit of Indemnity is in excess of £2 million for any one incident.
