## Horizon 2 MAJOR SCHEMES / SUSTAINABLE TRANSPORT PACKAGE / RESILIENCE Schemes for consideration for future years

Road No.	Road / scheme name	Location	Limits	Length (metres)	Type of Work	Surrey Highways ID	Other information
A24	A24 Network Resilience	Epsom	Epsom town centre	N/A	Major Schemes	N/A	<p><b>Awaiting funding decision</b></p> <p>The scheme aims to address drainage and road defects identified at the 'Spread Eagle' junction and other sections of the one-way system. We are unable to address these defects as part of the Plan E Highway Improvements scheme due to lack financial limitations. Therefore SCC submitted a business case to Coast to Coast Local Enterprise Partnership (C2C LEP) in order to receive funding.</p> <p>We have recently been informed that the A24 Epsom Town Centre Network Resilience scheme bid was unsuccessful and has not been awarded funding. Surrey County Council are waiting on feedback C2C LEP to understand why the funding was unsuccessful. Therefore this scheme has been placed on our consideration list as we cannot confirm that it will take place.</p> <p>The lack of funding results in the eastern ends of the High Street and East Street junctions in not being resurfaced and some other drainage works will not be corrected. However funds are available to ensure that drainage defects will be corrected and the carriageway will be resurfaced on the western side of the town centre as part of the Plan E Highways Improvements works. The County Council will continue to lobby the C2C LEP to fund this important scheme for Epsom Town Centre.</p>
