Important information regarding admission criteria

The information provided in this booklet serves as a *guide* to the admission criteria for all Surrey schools. *It should not be regarded as definitive.* Please contact academies and foundation, free and voluntary aided schools for detailed information about their admission criteria and the local authority for detailed information on community schools or visit: www.surreycc.gov.uk/admissions.

Catchment area maps: where these apply, they can be viewed on the school's website.

KEY

Some schools might change to academy status during the 2017/18 academic year. For up to date information on the type of each school please see the 'Directory of Surrey schools' at www.surreycc.gov.uk/schools.

A = Academy
 C = Community school
 F = Foundation school
 Fr = Free school
 VA = Voluntary Aided school

PAN = Published Admissions Number – this is the number of places that the school expects to offer.

LAC & PLAC = Looked after and previously looked after children.

SEN/EHCP = Children with a Statement of Special Educational Needs or an Education, Health and Care Plan.

✱ Next to the school name indicates that the school will be taken into account when assessing each child's nearest school when considering admission to community schools.

■ This symbol in the fourth column indicates that a separate supplementary information form may need to be completed. Where criteria numbers are listed, the supplementary information form only needs to be completed by parents applying under those criteria. Supplementary information forms are available at www.surreycc.gov.uk/admissions or from the school and must be returned directly to that school. The local authority application form must be completed in all cases.

Number offered

We show the number of pupils offered a place at each school for September 2017. In some instances the total number offered was more than the Published Admission Number (PAN). This is generally because additional places were offered to meet local demand.

* Next to the number offered indicates that the school intended to drop back to PAN for the 2017 intake

** Next to the number offered indicates that the school intended to admit an exceeded PAN for the 2017 intake

*** The Priory CofE School intended to drop back to a PAN of 150.

Where a school was oversubscribed in 2017 we have included the distance (where appropriate) from which the last applicant was allocated. This has been included within the criterion under which the last applicant was offered a place. In some cases vacancies remained after the initial allocation to on time applicants and these were filled by applicants who had applied late. This data is relevant to the allocation date of 1 March 2017.
