Surrey COVID-19 Summary

Cases and Rates

For more detail please see full report at www.surreycc.gov.uk/covidcases

Daily Cases

Change**

New cases in last 7 days

125

Rate for the last 7 days*

10.4

Data shown for time period Wednesday 5 May 2021 to Tuesday 11 May 2021

*Rate represents number of cases per 100,000 population for the last 7 days

**If there is an increase or decrease in cases that is less than 10% compared to the previous 7 days (28 April - 4 May) a grey arrow will indicate that the rate may have plateaued, but is not showing a significant rise or drop.

Change**

Cases (7 days)

↓	Surrey	125	10.4
→	South East	1,295	14.1
→	England	12,956	23.0

All data is publicly available. Data is shown by specimen date - reporting delays mean data can be incomplete for the most recent days. For this reason the data shown is for the seven-day period ending four days prior to the publication date. The rate is calculated daily by Surrey County Council Public Health data intelligence team using the ONS 2019 mid-year population estimates.

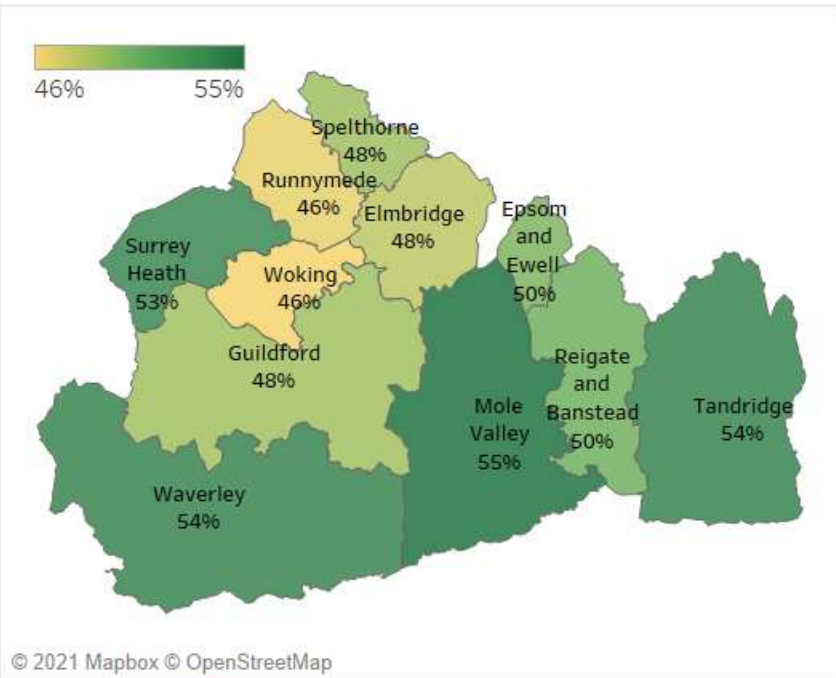

For more detail please refer to the Surrey COVID Intelligence Summary at www.surreycc.gov.uk/covidcases and coronavirus.data.gov.uk

For a breakdown of vaccinations by cohort, please see full report at www.surreycc.gov.uk/covidcases

Vaccinations

Data up to 9th May

Percentage of population who have had at least 1 dose of a vaccine

Elmbridge	48%
Epsom and Ewell	50%
Guildford	48%
Mole Valley	55%
Reigate and Banstead	50%
Runnymede	46%
Spelthorne	48%
Surrey Heath	53%
Tandridge	54%
Waverley	54%
Woking	46%

18,722 people in Surrey have received their first dose, and **39,278** have received their second dose of a COVID-19 vaccination this week (3rd May to 9th May).

In total **651,101** people (**50%** of the population) have received at least one dose of a vaccine, and **322,590** people (**25%** of the population) have received two doses of a vaccine (up to 9th May). **91%** of all people aged 50 or over in Surrey have received at least one dose of a vaccine.

50% of all people in the South East have had at least 1 dose of a vaccine, and **25%** have had a second dose, compared to **48%** and **24%** of people in England.

Groups currently eligible for a vaccine

- People aged 38 and over
- People who are clinically vulnerable and clinically extremely vulnerable
- People who live or work in care homes
- Health and social care workers
- People with a learning disability
- People who are a main carer for someone at high risk (clinically extremely vulnerable)

All data is publicly available at www.england.nhs.uk/statistics/statistical-work-areas/covid-19-vaccinations.

Vaccination figures are presented by date of vaccination as recorded on the National Immunisation Management Service (NIMS) database. Vaccination counts and populations by Lower Tier Local Authority (LTLA) are provided by Public Health England (PHE).
